Polar Regions (Hardback)

By Louise Spilsbury, Joyce Bentley

Hachette Children s Group, United Kingdom, 2014. Hardback. Book Condition: New. 267 x 215 mm. Language: English . Brand New Book. Can you imagine living and working at the North or South pole? It s the reality for some scientists, who inhabit laboratories in the frozen wastes of the Arctic or Antarctic. Research on the Edge - Polar Lab is a gripping look at the daily lives of these scientists, and the vital research they carry out in extreme conditions. Discover the difficulties of setting up a polar lab and the challenges of supplying equipment and necessities to the workers. Children can read about the conditions scientists live in, from where they sleep to how they keep warm, and some of the dangers they must avoid. Explore how research conducted under in polar lands can help with conservation, increase our understanding of climate change, and expand our knowledge of polar life, biodiversity and habitats. It can reveal untapped resources, and unknown eco-systems. Learn about the incredible technology that enables the scientists to live and work in dangerous conditions and the transport they use to travel around the poles. See how they attempt to live with as little impact on their...
