*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. From New York Times and USA Today best seller Vi Keeland comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. It seemed like a good idea at the time: a handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules, though lots of them actually. I had to follow the script and avoid dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men last year, it wouldn't be hard to live up to my end of the bargain, or so I thought. Then I realized the deal I'd made was with the devil, and I was in love with his dirty-talking brother. Author's note Throb is a full-length standalone audiobook. Due to strong language and sexual content, this book is not intended for listeners under the age of 18.
