Kodansha America, Inc, United States, 2011. Paperback. Book Condition: New. 194 x 130 mm. Language: English . Brand New Book. Ikki Minami is a junior high school student with a dream - to become the best Air Trek rider in town. It won't be easy, as he faces a lot of competition from boys and girls alike. What is Air Trek? Just the latest craze that involves taking a two-wheel inline skate and adding a motor, suspension and a shock absorber to enable the wearer to execute the wildest, wackiest, most aggressive moves you can imagine. Ikki has a lot to learn as he fights his way to the top in this wild, sexy manga from the creator of Tenjho Tenge! TRIED AND TESTED Time is running out before Ikki and Team Kogarasumaru face off against uber-villain Sora. Before they're ready to take on the big boys, the team has to learn how to function as a team - something they hope to show off in a preparatory match against the White Wolves, a company team run by Kururu's father. Does Kogarasumaru have the wings it needs to soar, or will it come crashing to the earth with a resounding thud? This volume of Air Gear includes special extras after the story!.
