Author Linda Born shows how difficult it was to make the transition from a mother-daughter relationship to the more complicated caregiver-patient relationship. By way of 100 inspirational readings the book provides solid, scriptural help for caregivers. Practical care-giving helps are scattered throughout the book, which concludes with a question-and-answer section that addresses such issues as respite care, legal counsel, and choices in long-term care. This practical book will help the reader find strength, hope, and help in the midst of trying circumstances. Editorial Reviews About the Author Linda Born has been a teacher since 1978. She currently works in Reading Recovery, a program for children who have reading challenges. She holds two degrees from Emporia State University in Emporia, Kansas: a BSE in Elementary Education and an MS in Curriculum and Instruction.
