Or are there unforeseen adventures waiting to shake up her life in the near future? When her brother comes home from college, he brings an unexpected houseguest. Teagan Aldridge is a reformed party animal, ladies man, and bad boy. He's the last person Aislinn thought would ever show her attention. But when Aislinn and Teagan become unlikely friends, he brings out a side of herself she never knew existed. She already knows she's special, but sexy and adventurous? That's a first. Are their personalities too far apart, or will opposites attract, making them an unusual, but influential pair? When their vast differences collide, Aislinn is led to some unexpected.
