

One Plus One Equals Blue

By M. J. Auch

Palgrave USA. Paperback. Book Condition: new. BRAND NEW, One Plus One Equals Blue, M. J. Auch, Twelve year-old Basil knows he's special - he's been associating numbers with colours since he was a kid. His gift (or curse) has turned him into somewhat of a loner, but his world begins to change when he meets Tenzie, the new girl in school who has similar freakisms. She, too, has synaesthesia (a condition in which one type of stimulation evokes the sensation of another). At first Basil is somewhat annoyed with Tenzie's pushiness, but after Basil's estranged mother returns, his life is turned upside down and Tenzie may be the only person to help him put it back together again.
