A pastor and father of two, Erik approached his health struggles with a positive attitude, finding the blessings in his circumstances. Continuous cluster headaches had plagued him for years, but they precipitated his regular checkups, which led to the discovery of the tumor. In *Blessed in the Midst of Trial*, Erik Jelinek tells his story of being diagnosed with cancer and how his fear was replaced with blessings. This moving memoir gives a close-up glimpse into his battle with cancer and how he experienced God's hand of grace and hope every step of the way. In each new set of circumstances, Erik found himself *Blessed in the Midst of Trial*. Strengthen your faith with this encouraging testimony of renewal and hope. 100 pp. Englisch.
