KEYWORDS: EXPERIENCE (PAPERBACK)

Random House Inc, 2004. Paperback. Book Condition: New. 192 x 126 mm. Language: English . Brand New Book. The Alliance of Independent Publishers, a literary organization dedicated to a different kind of globalization and the Charles Leopold Mayer Foundation have invited Shanghai Literature and Art Publishing House (China), Arab Cultural Center (Morocco and Lebanon), Double Storey Books (South Africa), Sage India (India), Editions La Decouverte (France), and Other Press (United States) to participate in the creation of an unprecedented intercultural project. Entitled Keywords, this original and international experiment is divided into four concise volumes. Each one refers specifically to a word that is key to the understanding of the human condition. Truth, Identity, Gender, and Experience are concepts that we presume universal; therefore we would be hard-pressed to think that they refer to different systems of thought in cultures distinct from our own. Keywords explores the cultural specificity of these terms, and links them to issues that are most relevant for the region under consideration. Each volume of the series offers six different points of view on a given keyword. The authors, who have been carefully selected by their respective publishers for their mastery in their fields and for the clarity of their writing, have been given free rein to share their distinctive visions of the concept at hand and to emphasize particular examples that would best illustrate their unique perspectives. In the volume entitled Gender for example, we find a highly contemporary American analysis of the tension between feminist studies and the concept of the queer, while the Arab reading of the same word turns to the history of the Arab world to champion the cause of women and homosexuals. For the African author, identity is bound up with questions of ethnicity, race, and colonial laws. The Chinese author...
