Discovery Publishing House Pvt. Ltd., 2004. Hardcover. Book Condition: New. For peace-lovers it was a strange and bewildering sight : people dancing and cheering in the streets of New Delhi and Islamabad because their governments had exploded an Atomic bomb, politicians bragging about the Nuclear capabilities of their countries, the Press going wild over the achievements of their Scientific institutions. Achievements? In Europe, people had lived for decades under the threat of a nuclear holocaust, they had danced and cheered when the Cold War ended. Now another threat of nuclear war, this time between two of the most populous, but also the most impoverished Nations of the world? How could anybody be happy about the News of the Successful nuclear tests? The Political Reactions were quick to follow. A day after India had exploded its first bombs under the Rajasthan desert, in a concerted action, the EU and the G7 Countries as well as the World Bank suspended all new loans for the country.
