Group Publishing, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Growing Out is a six-season curriculum (13 lessons each) that takes adults from becoming disciples of Jesus to disciplers of others in Jesus. The Growing Out series. Presents a model of spiritual formation that is biblical, simple, and reproducible. It's not a "how-to-train" manual. It's a way to learn, together, how to grow in Jesus--and how to help others grow. Is deep & completely doable. It's comprehensive without being overwhelming because the learning happens in a relational, engaging, and fun way. Builds Christians from the foundation up! Growing Out gets newer Christians growing and mature Christians engaged--so they can go back and grow others. Equips new & long-time Christians to prepare, then reach out to people in their congregation, neighborhood, and workplace. Group members will not only discover new ways to live out their faith--they'll also discover truths they thought they understood in brand-new ways! Includes a creative variety of learner-centered, Bible-based activities that guide members as they help each other grow closer to Jesus. Great for adult Sunday school, small groups, one-on-one discipleship, church plants wanting to create vision & community, and church leaders trying to move from "me" to "we." Season 3, Growing in Your Gifts explores group members' spiritual gifts, passions, and talents. Each person will uncover how God might want to use this gifting in their church, community, and the world. Members will also take a closer look at the meaning of "servant leadership." And, they'll focus on the importance of balance & time management in spiritual and personal life, identify areas that need to be addressed, and recognize the importance of prayer in discovering God's purpose for their lives.
