CreateSpace Independent Publishing Platform, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Washington DC, Taipei, NATO's North Cape naval picket, and two carrier combat groups have been destroyed by nuclear weapons. NATO is on the back foot and her potential allies are thinning out as China shows no hesitation in leveling entire cities. Major Constantine Bedonovich and the smart and sexy Svetlana Vorsoff are our spies with a conscience and now they are in from the cold, but someone will go to any lengths to exact a revenge. Perhaps baiting the Bear in his lair is their only hope of survival. The NATO army in Europe, with the battered but defiant Coldstream Guards and US 82nd are holding the line. Vital supplies are enroute from America but the determination of those in the convoys and escorts is matched by those charged with sinking them. NATO needs to level the playing field, and then tilt it in their favour. Who better to engineer the destruction of China's ICBMs than Major Dewar and his Royal Marines. Who better to find and sink the 'Chinese Boomer' than the US Los Angeles and Sea Wolf class hunter killers, with a little help from HMS Hood, of course. The second novel in the Armageddon's Song trilogy again takes you beyond Clancy's 'Red Storm Rising' and Coyle's 'Team Yankee' to encompass not just a story from a US point of view but also through the eyes and deeds of the other combatants. Once more get up close and personal with the infantryman walking point, the pilot in the dog fight and those who ultimately command the armies.
