Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Scarp, Nick Papadimitriou, AN INDEPENDENT BOOK OF THE YEAR An extraordinary book by a man with a unique and inspiring perspective, SCARP will change the way you view the places and spaces around you, and reveal a forgotten London you never knew existed. Nick Papadimitriou has spent a lifetime living on the margins, walking and documenting the landscapes surrounding his home in Child's Hill, North London, in a study he calls Deep Topography. Part meditation on nature and walking, part memoir and part social history, his arresting debut is first and foremost a personal inquiry into the spirit of a place: a 14-mile broken ridge of land on the fringes of Northern London known as Scarp. Conspicuous but largely forgotten, a vast yet largely invisible presence hovering just beyond the metropolis, Scarp is a vast storehouse of regional memory. We join the author as he explores and reimagines this brooding, pregnant landscape, meticulously observing his surroundings, finding surprising connections and revealing lost slices of the past. SCARP captures the satisfying experience of a long, reflective walk. Whether talking about the beauty of a bird or a telegraph pole, deaths at a roundabout or his own troubled past, Papadimitriou celebrates the poetry in the everyday. His captivating prose reveals that the world around us is alive and intrinsically valuable in ways that the trappings of day-to-day life lead us to forget, and allows us to re-connect with something more authentic, more immediate, more profound.
