Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Thousands of people each year leave behind their family, friends, and jobs to depart their home country in search of a more fulfilling life. Have you honestly ever wondered, what it would be like to do just that? E. L. Baird and her husband were unhappy living in the United Kingdom and decided to change their future for the better. As they prepared for their eventual emigration to Canada, they spent hours reading, researching, calling, and e-mailing in order to organize their journey. Baird shares both the positive and negative experiences they encountered while dealing with red tape, finding work, and learning school rules. She also includes entertaining anecdotes about camping in grizzly bear country in Canada and their first Christmas in New Zealand, where they all sat miserably hot around the dinner table, stripped down to their underwear with the electric fan on full speed. Experience the intriguing world of emigration from the comfort of your home and share their journey. A Life Like Mine provides an honest portrayal of the heartfelt and lengthy journey a family of five is willing to take to find true happiness.
