

We are Soldiers Still: A Journey Back to the Battlefields of Vietnam

Filesize: 1.15 MB

Reviews

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).
(Delbert Gleason)

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, We are Soldiers Still: A Journey Back to the Battlefields of Vietnam, Harold G. Moore, Joseph L. Galloway, Almost 15 years since its original publication the bestseller "We Were Soldiers Once And Young" (1992) is still required reading in all branches of the military. Every day the authors receive letters from readers wanting to know what's happened to the characters they came to admire such as Ed 'Too Tall to Fly' Freeman and Bruce 'Old Snake' Crandall. There are also questions about whether they are still in touch with their North Vietnam counterparts and where they are now. Many of these questions are finally answered in "We are Soldiers Still", which recounts a unique journey back to the battlefields by the commanders and veterans of both sides - a journey which ended with the authors and some of the comrades stranded overnight, alone, on the isolated field code-named Landing Zone XRay where so many perished. They will tell what was learned and felt during a night when a meteor shower filled the sky and peace came upon them. The authors mix gritty and vivid detail with reverence and respect for their comrades. Their authority on the military, their ability to capture man's sense of heroism and brotherhood, and readers' fascination with their story is sure to make this a must-buy book for all history buffs. While "We Were Soldiers" brought to life an important moment in US history, "We are Soldiers Still" will illuminate how that history has changed the authors, the men involved, and our country.
