Reviews

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

Kensington Publishing, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. In Las Vegas, Nevada, also known as Sin City, anything goes. This is why the Double G s have chosen to set up shop here. Starrshima Fields, aka Starr, is a young, bodacious, and bold beauty. She is also the leader of the Double G s, a powerful and ruthless social club of plus-sized women. Starr is guided by Queen Fem, the founder of the Double G s. Queen Fem set up the group of professionals-by-day, gangster-biker-chicks-by-night to prove that this isn t just a man s world. The Double G s put the squeeze on their primary targets: men of power and privilege. Blackmail and manipulation are their choice of weapons, and they are skillful in both. Agent McCarthy has been tracking the Double G s since the founder was at the helm of the organization. For years, he could not infiltrate the group of female radicals, but he has finally managed to plant a seed that could possibly lead to the destruction of the Double G s when the young Starrshima Fields becomes the new face of the group. As the temperature increases in Las Vegas, so does the pressure the Double G s apply. No man is safe from the Double G s and their manipulative tactics, and anyone who tries to stop them is putting his life in danger. These women are on a mission, and they believe the only way they can accomplish it is by keeping the game and the players in a chokehold!.
