Everyone tells you what you should do-tell a story; start in the middle; show don t tell-but no one tells you how to do it, Glancy explains. Using examples from essays that got students into the colleges of their choice, The Art of the College Essay shows what makes great essays great-and then tells you how to write one. Glancy provides a clear, highly readable, student-tested guide to writing college essays that are so powerful-so gripping, authentic, and real-that the Ad Com can only say yes. Helpful appendices list up-to-date college essay prompts, winning adjectives, grammar tips, trouble-shooting suggestions, and a step-by-step breakdown of the process.
