Christianity has been instrumental in the development of modern Sri Lankan politics and culture. In this paper I will attempt to map the development of Christianity on the island and assess its resultant political implications. I will also attempt to prove that Christianity has played a major role in the political development of present day Sri Lankan democracy. I. Background Christian development in Sri Lanka could have started as early as AD c. 50 when, according to legend, St. Thomas the Apostle set foot upon the island to preach the message of the gospels. 1 Since then, Sri Lanka has experienced several stages of Christian development- which can be loosely mapped as a transition from Roman Catholicism to Modern Denominationalism- primarily orchestrated by the ruling power that happened to be enjoying occupation of the island at...
