I made all the spiritual levels to sit with God on his right side on a flat disc. In this book I showed what I used to make it there. The space aliens picked me up back in 1947 and my life has not been the same since. In fact, they are telling me that I am a placement for Moses. They said. You tell your people Moses parted the Red Sea. You tell them they aren't seen nothing yet. It seems that I have some special powers. Up till now, however, I don't quite know what I'm supposed to do with them. Once, eight psychics were trying to get inside me and read me. I decided to show them something. I sent a lightning bolt down the middle of a table where they were sitting at that blew all eight of them clear off their chairs. I think you get the idea. It will be a new experience for you when you read this book. Why I wrote this book. The gray aliens asked me to write this book and so did God when I sat with Him on his right side on a flat disc and watched the universe turn. The gray aliens asked me first. They asked me years ago. So, I started working on this book since 1977. I put my whole life down in it. The result is these unusual life stories. This item ships from multiple locations.
