Reviews

An exceptional ebook and the font employed was fascinating to read through. I actually have study and so i am certain that i will likely to read once again yet again in the future. Your life period is going to be change as soon as you complete looking at this book.
(Nelle Schaefer I)

IN A FRENCH KITCHEN: TALES AND TRADITIONS OF EVERYDAY HOME COOKING IN FRANCE (PAPERBACK)

Penguin Putnam Inc, United States, 2016. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. A delightful celebration of everyday life in France through the lens of the kitchens and cooking of the author s neighbors, who, while busy and accomplished, still manage to make every meal a sumptuous occasion. Even before Susan Herrmann Loomis wrote her now-classic memoir, *On Rue Tatin*, American readers have been compelled by books about the French s ease with cooking. With *In a French Kitchen*, Loomis an expat who long ago traded her American grocery store for a bustling French farmer s market demystifies in lively prose the seemingly effortless *je ne sais quoi* behind a simple French meal. French cooks have the *savoir faire* to get out of a low-ingredient bind. They are deeply knowledgeable about seasonal produce and what melange of simple ingredients will bring out the best of their garden or local market. They are perfectly at ease with cracked bowls and little counter space. *In a French Kitchen* proves that delicious, decadent meals aren t complicated. Loomis takes lessons from busy, everyday people and offers tricks and recipes to create a meal more focused on quality ingredients and time at the table than on time in the kitchen.
