Reviews

It is an amazing publication which i actually have at any time go through. It really is writer in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

THE PRIVATE WAR OF J. D. SALINGER

Simon & Schuster Inc. Sep 2013, 2013. Buch. Book Condition: Neu. 228x151x48 mm. Neuware - Based on eight years of exhaustive research and exclusive interviews with more than 200 people-and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company- Salinger is a global cultural event: the definitive biography of one of the most beloved and mysterious figures of the twentieth century. THE BOY WHO BECAME A REBEL. THE REBEL WHO BECAME A SOLDIER. THE SOLDIER WHO BECAME AN ICON. THE ICON WHO DISAPPEARED. Raised in Park Avenue privilege, J. D. Salinger sought out combat, surviving five bloody battles of World War II, and out of that crucible he created a novel, *The Catcher in the Rye*, which journeyed deep into his own despair and redefined postwar America. For more than fifty years, Salinger has been one of the most elusive figures in American history. All of the attempts to uncover the truth about why he disappeared have been undermined by a lack of access and the recycling of inaccurate information. In the course of a nine-year investigation, and especially in the three years since Salinger's death, David Shields and Shane Salerno have interviewed more than 200 people on five continents (many of whom had previously refused to go on the record) to solve the mystery of what happened to Salinger. This oral biography takes you into Salinger's private world for the first time, through the voices of those closest to him: his World War II brothers-in-arms, his family, his friends, his lovers, his classmates, his editors, his New Yorker colleagues, his spiritual advisors, and people with whom he had relationships that were secret even to his own family. Their intimate recollections are supported by more than 175 photos (many never seen...
