Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.SECOND EDITION. BY DELABERE BLAINE. THE CANINE PATHOLOGY is founded on a small work published some years ago, under the title of Cc A Domestic Treatise on the Diseases of Horses and Dogs. In each of the several editions it passed through, I promised that, at a future period, I mould present the public with a more complete and extended work, which should embrace every information connected with the medical treatment of dogs, that a long and successful practice thereon had taught me. By the publication of the Canine Pathology, I have endeavoured to redeem this pledge and when it is considered that the whole path I have travelled over has been hitherto unbeaten, and that no authority existed from whence the smallest assistance could be gained, the task may be considered as a laborious one, and that some industry and attention have been displayed in its prosecution This Second Edition presents itself with some important additions. The introductory chapter on the Moral Qualities of the Dog has been preceded by an Inquiry into his disputed Origin-a Summary of his Natural History-and an Account of the principal Varieties into which he is branched out all of which will, I hope, prove not uninteresting or unacceptable to the lovers of the animal in question. Every member of society owes, both to his friends and to the public, either a direct consistency of conduct, or some statement of the reasons that have occasioned a departure therefrom. Under the guidance of this sentiment, in the former edition, I entered into a detailed account of circumstances which for the purpose of introducing more important matter I have now condensed into the following...
