Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The chemicals manufacturing industry is a vibrant, global business that encompasses many important sectors: from commodity chemicals, to specialty chemicals, to custom manufacturing. Key topics include global trade, finance and acquisitions, biochemicals, nanochemicals, polymers, petrochemicals, fertilizers, plastics, coatings, ceramics, solvents, additives, dyes and many other products basic to home and business needs. In addition, the pharmaceuticals industry is included when discussing chemicals. Plunkett s Chemicals, Plastics Coatings Industry Almanac provides a market research tool for competitive intelligence, strategic planning, business analysis and employment searches. Our coverage includes business trends analysis and industry statistics. The almanac also contains a chemicals, plastics and coatings business glossary and a listing of industry contacts, such as industry associations and government agencies. Next, we profile hundreds of leading companies. Our 400 company profiles include complete business descriptions and up to 27 executives by name and title. This companies database includes petrochemicals firms, major drug makers and specialty chemicals firms, public and private, on a global basis. Purchasers will find a form in the book enabling them to register for 1-year, 1-seat online access to tools at Plunkett Research Online, including the ability to view the market research/industry trends section and industry statistics. You have access, at no additional charge, to the very latest data posted to Plunkett Research Online. Online tools enable you to search and view selected companies, and then export selected company contact data, including executive names. You ll find a complete overview, industry analysis and market research report in one superb, value-priced package.
