## STACEY COOLIDGE'S FANCY-SMANCY CURSIVE HANDWRITING (HIGHLIGHTS CHARACTER'S HANDWRITING DIFFICULTY AND CREATIVE WRITING STRENGTH) (ADVENTURES OF EVERYDAY GENIUSES)

Mainstream Connections, 2008. Hardcover. Book Condition: New. "From Mrs. Thompson (the teacher), to Frederick, (the class guinea pig), everything about second grade seems good to Carolyn. But when the class starts practicing the slants and curves of cursive writing, she finds it difficult and her happiness evaporates. Detailing her frustrations and contrasting her struggles with a classmate's easy success, this picture book reflects experiences familiar to many young students. Carolyn's sympathetic teacher puts things in perspective, telling her that when it comes to writing, ideas and emotions are much more important than slants and curves. Designed to encourage children, books in the Adventures of Everyday Geniuses series tell stories of students who struggle in some respects, while excelling in others. Bright with colorful washes, the cartoonlike drawings clearly express the characters emotions. Given the pressure to introduce cursive writing to younger students, this picture book will resonate with a growing number of children."--Booklist Author Barbara Esham was one of those kids who couldn't resist performing a pressure test on a pudding cup. She has always been a "free association" thinker, finding life far more interesting while in a state of abstract thought. Barbara lives on the East Coast with her three daughters. Together, in Piagetian fashion, they have explored the ideas and theories behind the definitions of intelligence, creativity, learning, and success. Barb researches and writes from her home office, in the spare time available between car pools, homework, and bedtime. Barbara's book series, The Adventures of Everyday Geniuses, received the 2008 Parents' Choice Awards, were featured on the American Library Association Booklist, and listed on the Reading Rockets Recommended Readings. In addition, Ms. Esham speaks and headlines numerous conferences and education events including the National Association of Gifted Children Conference, SENG, and the State of Maryland International Reading Association...
