McFarland & Co Inc. Paperback / softback. Book Condition: new. BRAND NEW, Paper Sack Puppets: 60+ Easy Patterns and Activities for Librarians, Teachers and Parents, Eunice Wright, Juli Wright, Puppetry is an old and respected art form but it is also just plain fun. This book presents dozens of original patterns for a particular kind of puppet--those made from paper sacks. Those brown (or white) paper bags generations of students have used to tote lunch to school prove to be an inexpensive base on which to create puppets that can be used to teach as well as entertain. Along with the patterns are related activities, music, poems, book lists, and games. Chock full of great ideas and clear instructions, the book will become a valuable resource for teachers, librarians, and parents.
