World Weaver Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Relax, close your eyes . . . and dream. Eight tales, eight sensual dreams of enchantment, wanderlust and lovers longings, of searching and finding; these dreams tell of birds of fire, curses that lie like bridges between night and day, and hunger for sweet seduction. Phoenix and Styx Flesh and myth tumble together, strangers in a world too small to hold them. Can they find balance long enough to seek their pleasure, or are they destined to combust? Fortune s Song Eliron is a recluse with a bad reputation, Aurora is a fortune teller s daughter turned nomad. Together, they sing harmonies to make harps blush, but their real song, their true song, may just be something darker and deeper. Candy and the Witch When Gretel finds a candy trail in the woods leading to succulent desires, she doesn t walk blindly into its trap-she lays one of her own. The Night Train: Story of a Passage As Taite boards the night train, she expects a less-than-satisfactory nap, not a steamy encounter with mystical strangers and a choice that could change the very course of her life. I Will Feed You Honey An ancient muse trapped within a Tarot card, a dancer trapped just outside the bright lights of center stage-they could be each other s salvation . . . or prison. But before that question is answered, Marina will have to figure out if the sexy dreams she s been having of a masked man are fantasy inspired by the Tarot card that manages to slip between her sheets . . . or real. The Acorn Princess Alice enters the woods to get away...
