Date :2009-02-01 version 2. University language is the guidance of adult Entrance Exam Books of a New 2008, 2009, and revised. As the university review the contents of the broad language examinations, the difficulty is relatively large, many candidates do not know where, when review staff. To help candidates grasp the main points, detours, to improve review of the results, we carefully build this College Language exam guide. This book is divided into four parts. The first part, how to prepare for university language examinations; the second part, the basics; the third part of the five style of reading (appreciation) and writing; fourth part, text annotation, analysis and practice points. Also in accordance with requirements of the various parts of the outline, according to candidate needs, were described in detail knowledge. The second part is mainly to explain the rhetoric of ancient Chinese knowledge and common sense. The third part of the definition, elements, characteristics, classification, and reading (appreciation) and writing, etc. of the five kinds of style for a detailed explanation....
