Tate Publishing. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 8.1in. x 5.2in. x 0.6in. Sometimes, the most frustrating things in life just need to be poked at, laughed at, and made fun of. When you think about something that happened in the past and it makes you laugh today, or tell someone about an incident that brings on a giggle and a grin, It just plain makes you feel good. The goal of Bending The Laws of Stretching the Truth is to do exactly that, make you feel good. Brad has put together a collection of several short stories, some from actual experiences with a touch of spice added, others completely made from scratch. Either way, they make for interesting and enjoyable reading that will put a smile on your face and maybe even make you laugh out loud. There is also a variety in the stories of this book. You will be reading about a fishing trip in northern Arizona in one story, an inspirational story from a raggedy dog in another story, then about the consequences of attending a crazy rock and roll concert in yet another. So, my friend, kick back and enjoy a good read. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
