Field Manual FM 3-13 Inform and Influence Activities January 2013 (Paperback)

By United States Government Us Army

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Field manual (FM) 3-13 provides doctrinal guidance and directions for conducting inform and influence activities (IIA) and discusses the importance of information in operational environments. It describes the Army's view of how IIA aid the commander to gain an advantage through information. It develops the other principles, tactics, and procedures detailed in subordinate doctrinal publications. The publication does not address every information-related capability commanders can use to help shape their complex operational environments. It should, however, generate introspection and provide just enough guidance to facilitate flexibility and innovative approaches for commanders to execute the art of command to inform and influence. It also provides guidance to the staff to conduct IIA to achieve the desired effects that support the commander's intent and objectives. Commanders designate an information-related capability and are only limited by available resources. The principal audience for FM 3-13 is commanders and staffs at all echelons of command, Army civilians, and government contractors. Commanders, staffs, and subordinates ensure their decisions and actions comply with applicable United States, international, and, in some cases, host nation...
